## Tutoring Form

Dear Parents or Guardians,

Your Strong Middle School student has been recommended for after school tutoring by one or more of their teachers. Tutoring will be offered Tuesdays, Wednesdays, and Thursdays immediately after school, from 3-4 p.m. Students will receive intensive instruction and practice through teacher-guided instruction. They will also have access to Study Island, an online, comprehensive learning system that automatically diagnoses areas of weakness, then assigns targeted lessons to improve those areas, and tracks progress as students master those skills. Students are admitted to the program after a review of grades and performance. They are advised to commit to 2 sessions a week with attendance recorded each day. Currently, there is no transportation available. You will have to pick your child up or allow them to walk home. Space is limited so if your child does not attend regularly, you will be contacted, and their spot will be given to another student.

Please complete and sign the form below to commit and give permission for your child to attend after school tutoring at Strong Middle School. Please return the form to Mr. Fraser. If you have any questions/concerns, please contact him via email at [fraserd@melnapschools.com](mailto:fraserd@melnapschools.com). Please put your student's name in as the subject line of your email.
